**Technology Exploration Saturdays**
FREE Student and Parent Opportunity!
Focusing on Science, Technology, Engineering and Math (STEM)!

The Virginia Space Grant Consortium would like to invite you to apply for our Technology Exploration Saturdays. This three-part series will be hosted at Thomas Nelson Community College, Canon Virginia, and NASA Langley Research Center. Students and Parents will be provided with interactive hands-on activities, demonstrations, and career planning resources. Workshop presenters include guest speakers and engineering technologists from NASA Langley, Newport News Shipbuilding, Canon Virginia, Thomas Nelson Community College, and more.
